### **California Women's List Endorses Susan Rubio for Senate**

Los Angeles -- Today, California Women's List (CWL) announced their endorsement of Susan Rubio for Senate District 22. Rubio's history of public service in the district coupled with her long career as an educator are unmatched.

"I am so pleased to be endorsed by California Women's List," said Rubio. "As Senator, I will work to elevate women to leadership positions and advocate for legislation that improves the lives of women statewide."

"Rubio's platform exemplifies the values and priorities that we need in California. She has championed equality and social justice in every facet of her life. As senator for the 22nd District, she will continue to empower women and families, including our fellow Californians who are subject to the Trump Administration's abhorrent immigration policies," said Lauren Russell, board member of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
