California Women's List Endorses Jacqui Irwin for Assembly

Los Angeles -- Today, California Women's List (CWL) announced their endorsement of Jacqui Irwin for Assembly District 44.

"I'm incredibly honored to be endorsed by California Women's List," Irwin said. "It is vital that we elect more women so that they can bring their unique experiences and perspectives to running our government."

"Irwin's experience as an elected official and community leader is unmatched. She was elected to Assembly in 2014 and, prior to that, she served as council member and mayor of Thousand Oaks. Irwin's dedicated public career is chock-full of examples in how she serves women. We know that will remain true if she's re-elected," said Lauren Russell, board member of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
